

Akshay Shelke

+91 9284188705— Nashik, MH

akshayshelk86@gmail.com — [LinkedIn](#) — [Github](#) — [HackerRank](#) — [LeetCode](#)

Summary

Aspiring Full Stack Developer with hands-on experience in Spring Boot, RESTful APIs, and MySQL. Passionate about building scalable web applications and solving real-world problems using Java and modern frameworks.

EDUCATION

B.E Information Technology — Matoshri COE, Nashik— CGPA: 7.99 — 2025

Higher Secondary (HSC) — S.B.N.E.S & Jr. College Dodi — 68.77% — 2020

Secondary(SSC) — V.P.Naik Hightschool ,Nandur Shingote— 85.40%— 2018

SKILLS

Languages: Java, HTML, CSS, JavaScript.

Frameworks & Libraries: Spring Boot, Angular.

Tools & Platforms: Git, Postman, VS Code, IntelliJ.

Databases: MySQL

Concepts: OOPs, DSA, DBMS, REST API, MVC.

INTERNSHIPS Experience

Learning & Development at ESDS solution,Nashik

- Enthusiastic L&D intern with hands-on experience in designing training programs, assessing learning needs, and creating engaging content.
- Contributed to effective onboarding and skill development initiatives, supported data analysis for training evaluation, and collaborated with teams to align learning solutions with organizational goals.

PROJECTS

Blogify - Blogging Website: (Backend)

- Developed with Angular and Spring Boot; implemented CRUD, pagination, and user auth
- Used MySQL, JPA, Hibernate for data management..

Redundant Question Detection using Machine Learning

- Used NLP and Scikit-learn for detecting duplicate questions.
- Achieved 85% accuracy with advanced feature engineering

URL Shortener:

- Built a Spring Boot app with MySQL backend.
- Provided efficient redirection and URL mapping features.

Certifications

-
- Java Full Stack Training - Zensar Technologies – 2023.
 - Java Training -Besant Technologies -2024.
 - Advanced Java with DSA & Soft Skills - TNS Organisation – 2024.
 - Hackerrank Certifications-Java, SQL.
 - Internship Certificates – Codsoft & ESDS solutions .

ACHIEVEMENTS

-
- Solved 150+ coding problems across LeetCode and HackerRank.
 - Actively contribute to GitHub projects and coding platforms.
